

## FOR IMMEDIATE RELEASE

### Fixed-Rate Repair Launches Revolutionary Dental Handpiece Repair Service

New York – July 2025 – [Fixed-Rate Repair](#) is proud to introduce a groundbreaking approach to dental handpiece repair, designed specifically with dental practices in mind. With over 75 years of combined experience in the dental handpiece repair industry, the Fixed-Rate Repair team has reimagined the traditional repair process, focusing on **no estimates, fast turnaround, no hidden fees, and complete transparency**.

Recognizing the inefficiencies and time-consuming nature of the traditional handpiece repair model, Fixed-Rate Repair has developed a streamlined, web-based platform that simplifies the entire repair process. Dental professionals can now easily submit and manage handpiece repairs online, freeing up valuable staff time and reducing administrative burdens.

**“We’re excited to bring this powerful solution to the market,”** said Jeremy Ross, Founder of Fixed-Rate Repair. **“We are revolutionizing the way dental offices manage repairs by combining our unmatched expertise in handpiece repair with our state-of-the-art website and affiliate program.”**

### Custom-Built for Dental Practices

The Fixed-Rate Repair platform was specifically designed to meet the unique needs of dental professionals. From simplified repair submission to clear, upfront pricing, the service provides a hassle-free experience that keeps practices running smoothly.

### Exciting Affiliate Program Now Available

In addition to the innovative repair platform, Fixed-Rate Repair has launched an **exciting affiliate program** that offers dental professionals the opportunity to join the movement and benefit financially while helping other practices save time and money.

#### Affiliate Benefits Include:

- **10% Commissions on Repair Sales**
- **Personalized Dashboard** to track customer activity, repair status, and commissions
- **Monthly Payouts** for consistent revenue
- **Business Development Opportunities**, enabling affiliates to expand into handpiece repair effortlessly while offering clients a modern solution to manage their assets
